

The Potenza series propose a unique versatile design and a wide variety of components to build your customized designs.

Our low glare thermofused laminate offer a rich wood look and feel, the matching 3mm PVC

edge offers comfort and protection.

The hardware selection such as pulls,

grommets and aluminum frame with glass will

provide a luxurious vibe to your office.

Available in 8', 10' and 12', we also offer a 4'

extension
